## President & CEO, ON kids & family

---

Since the creation of his first production company ONYX FILMS in 1996, visionary producer Aton Soumache has grown to become one of the most influent key-players in the European animation industry, by producing many successful contents for film and television.

Building on this strong expertise, Aton Soumache co-founded with French producer Dimitri Rassam in 2014 the ON Group and is now operating as President and CEO of the Company.

With more than 160 permanent employees as of today, ON kids & family has evolved to become a highly competitive European independent major studio, with an international scope. Led by entrepreneur and natural team-leader Aton Soumache, ON's top-management benefits from the most talented people in the animation field from all over the world.
